

To Whom it May Concern:

It is my very great pleasure to recommend Wendy Gerdau and TREASURES ESTATE SALES. Wendy came to our family home many times over a one year period to help us deal with the loss of our mother and aunt and all the "treasures" they left behind.. Nothing had been thrown away for fifty years, and the idea of trying to clean out the 10,000 sq foot home was totally staggering to us.

She was able to go through everything, advising us on the items to put up for sale and encouraging us to keep those things that meant a lot to us.

The estate sale went even more smoothly than we expected, All the rubbish was cleaned out, the silver was polished and displayed, and the sale was beautifully organized and efficiently run. The house was totally cleaned out and ready for the new buyers, and we were able to get on with our lives!

Sincerely,

Marlene Hall
